

## YOUR ONLINE CORPORATE PROFILE

The online exhibitor catalogue on the expo website is the number one source of information for anyone making preparations to attend the fair, and often forms the basis of the decision to visit – or not to visit – your booth. You have the chance to fill your corporate profile with all the information you consider most important and persuasive for attracting potential customers. The more information and details your online profile contains, the more attractive it becomes.

### How you benefit

-  Showcase for your business, brand(s) and products
-  Gain more expo visitor attention to your goods and services in preparation for the show
-  Improve visibility for search engines like Google (search engine marketing: backlinks, content, coverage etc.)
-  Convince potential customers with individualised information

### Marketing & service fee explained:

The marketing and service fee is already included when you register and covers the registration fee, a quota of exhibitor passes according to booth size and car park access tickets, artists' union duties according to the venue, basic online corporate profile entry, basic entry in the printed exhibitor directory, variety of printed and electronic advertising means for your promotional activities.

#### Basic entry

- » Company name

# INNOVATIVE AND FLEXIBLE ONLINE ADS

## KNOW HOW! NATIVE ADS

Native advertising doesn't appear to be advertising as such, since it is integrated in the editorial framework. The form and content of such advertising are adapted to suit the context and the interests of the target group, and consequently are not as annoying.

### The advantage:

User activity is not affected. Rates of reader interaction are multiplied in comparison with conventional advertising.
